2:45-3	Next steps. Adjourn.	N/A

From Olympia, take US 101 North towards Shelton. Take the Shelton exit for WA 102 and head west towards Matlock. **At the Matlock crossroads (intersection of Matlock-Shelton Road and W. Beeville Road)**, continue southwest (straight) for 1.9 miles until you see a large "green-tree" retention area on left. Enter the Green Diamond gate on left (need a key). Follow road for a mile and turn right at gravel pit to enter study site (west gate of fenced area).
